APPLICATION PROCEDURES

To apply, the following forms must be submitted:

- **Application Form** (with a recent photo). **To be valid, the applicaiton form must be signed by a parent/guardian.**
- **Recommendation Form** (completed and signed by a current teacher)
- **Health History Form** (completed and signed by a parent/guardian)
- **A photocopy of the child's passport** (pages that indicate name, date of birth, nationality, issue date, and expiry date)
- **A non-refundable CHF 1500 deposit** (credited towards tuition)

Students needing a tourist visa to enter Switzerland should apply for a visa with the Swiss Embassy in their own country of residence. Please be sure that your child has been issued a Schengen visa, which is valid for travel in Italy and France.

Applying early is advisable as admission is granted on a rolling basis until programs are fully subscribed. Please note that inquiries by telephone or email do not guarantee a reservation. If you would prefer to apply and pay online, please visit

<http://summeradmissions.tasis.com>

To accelerate the application process, we suggest that you fax or email the application forms or fill in our online application. Enrollment will be confirmed only upon receipt of all necessary information and the deposit fee. If, after a review of the student's application materials, a decision is made not to admit the student, the deposit will be refunded. While TASIS intends to offer the courses and levels presented in this catalog, we reserve the right to cancel or to limit our offerings. In such cases, families will be notified in advance and we will do our best to accommodate qualified students in an alternative summer course.

Credit card payments are possible using the enclosed Credit Card Form. Bank transfers may be made to the School's account:

TASIS The American School In Switzerland - Lugano
UBS SA, Piazzetta della Posta, 6901 Lugano, Switzerland
Swift code: UBSWCHZH80A – Clearing no: 0247
Account no. 247-310 488.03E – IBAN Code: CH34 0024 7247 3104 8803 E

Fax or email a copy of the transaction to TASIS clearly stating the student's name. All bank charges to be paid by the sender. The student's name must appear on the bank remittance information.

The balance of the tuition fee is due by May 15 for the first session and by June 15 for the second session.

Day students are welcome in all our programs. An information package containing more detailed information on each program, such as the daily schedule for boarding and day students, a clothing list, travel/permission forms, and optional trips offered will be mailed to all enrolled students during the month of April. If the enclosed "Frequently Asked Questions" form does not answer your specific concerns, please feel free to contact the Summer Programs Admissions Office.

PAYMENT AND ACCEPTANCE TERMS

Boarding Student fees include room and board, tuition, excursions, books, laundry, and accident/health insurance. Day Student fees include tuition, books, excursions, and meals. Day students who are not residents of Switzerland can apply for TASIS Health Insurance upon request and will be covered during their stay on campus. Fees do not cover personal spending money, medical expenses not covered by the health insurance, or travel expenses. All programs are age-appropriate.

Our policy is to place students by age only. Acceptance will be confirmed upon receipt of the CHF 1,500 deposit, the application, the recommendation and health forms, and a photocopy of the student's passport.

Enrollment by the School constitutes a contract to pay the entire tuition for the enrolled period. This contract is binding only with the expressed acceptance of the School. The application constitutes a binding offer by law.

There is no reduction or refund for absence, withdrawal, or dismissal. Deposits are not refundable. The balance of the tuition fee is due by May 15 for the first session and June 15 for the second session.

We employ professional photographers each summer, and photos of students taken during the programs may be used for TASIS promotional purposes, including printed publications, the website, and social media.

Pursuant to our Security Policy, we have implemented video surveillance on campus. Surveillance cameras are used to provide for the safety of students, staff, and visitors and to protect school property against theft or vandalism.

By signing the application form, you are indicating that both the student and parents/guardians have read the terms and conditions stated on this form and agree to be legally bound by them.

This agreement is governed by Swiss law as applied by the competent Court in Lugano (Switzerland).

FREQUENTLY ASKED QUESTIONS

about the TASIS Summer Programs

Q. Will my child be met at the airport when he/she arrives?

A. Students who arrive on their own by plane the day the program begins will be met by a TASIS representative outside the customs clearance gate, provided they sent us flight details in advance and are arriving between 8:00–17:00 at the Lugano-Agno or Milan-Malpensa airports.

Q. What about departure?

A. On July 20 (1st Session) and August 12 (2nd Session), students traveling alone will be taken to the same airports or station on time for check-in and will be helped with these procedures. All students must vacate the campus by 12:00. (Please note that Final Night festivities and performances take place the night before the end of each session, on July 19 and August 11.)

Q. How do we know if our child arrived?

A. Students can call home from the main office once they arrive on campus. During their all-student meetings the first evening of the program, they will be encouraged to call home.

Q. Can my child arrive late to the program?

A. Unfortunately, no. Students who arrive late tend to have more trouble adjusting to the program. We have an extensive orientation program where students select activities and sports, meet their peers, review program rules, tour the premises, and learn about the neighborhood. Students must arrive on the opening day of the program.

Q. Do students hand in their money and passports on their arrival?

A. Yes. Passports are kept in the school safe and will be given to the students only when they travel. Money will be kept in the student's account with the School and can be withdrawn through the School Banker. CDE children will receive money from their allowance every time they go on excursions.

Q. How much pocket money do they need?

A. We recommend an average amount of CHF 40–50 per week for children up to 10 years old and CHF 80–100 for the older students.

Q. How are children roomed? Can friends room together?

A. Children are roomed with students in their own age group and are housed in separate boys and girls dormitories, with a maximum of four students per bedroom. As TASIS welcomes students from around the world, we do not allow siblings or friends to room together. Part of the TASIS experience is to mix students from different cultures, which is an enjoyable part of the learning experience.

Q. Do you let children who speak the same language room together?

A. No, we separate children who speak the same languages. This is to encourage them to use the languages they are studying or to communicate in English.

Q. If my child is studying a language, can he or she be moved to a different level if the class is too easy or too difficult?

A. We give placement tests upon arrival, but some shifting of students may happen during the first week.

Q. How can I remain in contact with my child?

A. Parents can send messages by email at any time. During the first week of the program, children up to 13 years old are not allowed to make or receive phone calls since these may stir up feelings of homesickness and hinder the student from making friends, developing self-confidence, and achieving a full commitment to the program. Frequent phone calls or visits are discouraged for all students. Once children know their schedules, they can arrange a time to reach you by phone.

Q. Do you cater for special diets?

A. The food at TASIS is varied, and all meat, wheat, and lactose dishes are labeled. Every meal features a meat-free dish for vegetarians and a salad bar with fresh vegetables. Students with particular food intolerances or allergies must provide a medical certificate and their needs will be accommodated to the best of our ability.

Q. What if my child gets sick?

A. The Health Center includes three nurses who provide round-the-clock care. The excellent Civico Hospital is 15 minutes from campus and provides emergency care.

Boarding students who are **not residents of Switzerland** are covered by the TASIS Health Insurance Plan. Swiss residents must provide a copy of their own Health Insurance.

Day students must provide their own health insurance or, if non-Swiss residents, apply for the TASIS Health Insurance Plan. The coverage is unlimited, has no deductibles, and is applicable only to illnesses developed during the duration of the session attended. Please note that dental and eye care are not covered.

Q. Does TASIS have a laundry service?

A. Yes, and this is available at no extra cost. Please mark your child's clothing with the number that is assigned to him or her once accepted into the program. Use an indelible laundry marker. At the end of each session, unclaimed items left behind by the students will be given to charity.

Q. Due to previous engagements, my child has to leave earlier than the end date. Who will take him or her to the airport?

A. We will arrange for a taxi with a firm we use regularly. This will be at an extra cost.

Q. Can you provide accommodation if my child arrives early or stay late?

A. Unfortunately, we are unable to provide accommodation before the starting date of the program or after 12:00 on the final date of the program.

THE AMERICAN SCHOOL IN SWITZERLAND

COMMUNITY EXPECTATIONS

The majority of students attending the TASIS Summer Programs live on campus, and life in a boarding school is very different from that at a day school. Not only does the School act *in loco parentis* (i.e., as a parent and guardian), but the smooth running of a small community also requires certain rules and guidelines. In order for the community to function smoothly, effectively, and happily, each member must understand and abide by certain structures and expectations. Arriving at class or dormitory on time, treating fellow students and teachers politely and respectfully, and using appropriate language are all examples of the kind of informal expectations during the programs. Smoking, drinking, and stealing are serious offenses, and infractions involving any of these will inevitably entail serious consequences. For the most part, students attending TASIS summer programs come here to learn, to enjoy themselves, to make new friends, and to have new experiences.

Fortunately, there are rarely any serious infractions of major rules. The School's expectations are based on the need for mutual trust and respect. In the interest of maintaining a high standard for the quality of life in our community, we strictly enforce all specific rules and regulations.

Students and parents should be aware that any infringement of the following rules may lead to immediate suspension or dismissal of the student(s) concerned. The Director of each program is responsible for all disciplinary decisions. Parents are reminded that there is no reduction or refund for suspension, withdrawal, or dismissal. Major program expectations include, but are not limited to, the following:

- **Integrity:** Students are expected to act responsibly. Stealing, lying, cheating, vandalism, and malicious mischief are serious offenses. In any such cases, disciplinary action will occur and payment for damages be charged.
- **Respect:** Students are expected to be polite to each other, as well as to their teachers and counselors. Anti-social behavior, insolence, disobedience, or any form of hazing, bullying, harassment (racial, ethnic, religious, physical, etc.) will be treated seriously and may result in disciplinary action up to and including dismissal.
- **Appearance:** Students are expected to wear neat, clean, and appropriate clothes. Distasteful, immodest, and ostentatious appearance (hairstyle, cosmetics, jewelry, etc.), tattoos, and body piercing are not permitted. Collared shirts (polo-type), appropriate t-shirts, or blouses (girls) are required in class and as town wear for TSP students. No brand names should be visible. Cut-offs and bare midriffs are not allowed. T-shirts or other apparel with sexually suggestive sayings or other inappropriate material are not permitted. In addition, clothing is not permitted to display brand names of any type, although symbols are permissible.
- **Alcohol:** Possession or consumption by students of alcoholic beverages, including beer and wine, is strictly forbidden. Students violating this expectation are subject to serious disciplinary action. Program Directors reserve the right to test for alcohol.
- **Smoking:** Smoking, as well as the use of smokeless tobacco (chewing tobacco, snuff, etc.), is strictly forbidden, regardless of age. Because of fire safety concerns, smoking in a dormitory is an especially serious offense and may result in a student's dismissal.
- **Mixed Company:** Boys are not permitted in areas designated for girls only, and vice versa.
- **Drugs:** TASIS is strongly intolerant of substance abuse. The use or possession of any illegal drug or drug-related paraphernalia will lead to immediate dismissal. Students are required to register all prescription drugs and medicines with the nurse immediately upon arrival. Program Directors reserve the right to test for drugs.

TASIS reserves the right to dismiss at any time a student who, in the School's opinion, is an unsatisfactory member of the School community. If in the School's judgment a student's conduct on or away from campus indicates that he or she is consistently out of sympathy with the ideals, objectives, and programs of TASIS, parents will be required to withdraw the student, even though there may be no infraction of a specific rule. In case of dismissal of a student, his or her return home will be arranged at the family's expense. A more comprehensive list of rules specific to each program will be sent upon enrollment, along with clothing lists, travel, medical, and permission forms.
