## FREQUENTLY ASKED QUESTIONS

### **Will my child be met at the airport when he/she arrives?**

Students who arrive on their own by plane the day the program begins will be met by a TASIS representative in arrivals, provided they have sent us flight details in advance and are arriving between 8am and 5pm at either Heathrow or Gatwick airports.

### **What about departure?**

On the published departure dates for each session students travelling alone will be taken to Heathrow or Gatwick airports for check-in and will be helped with those procedures. We ask that student's flights are booked between 8am and 5pm.

### **How do we know if our child has arrived on campus safely?**

Students are permitted to bring a cell phone with them and are encouraged to contact their parents on arrival. If you cannot contact your child please email [uksummer@tasisengland.org](mailto:uksummer@tasisengland.org).

### **Can my child arrive late to the program?**

While it is not encouraged as we find students who arrive late to the program have more trouble adjusting, we do permit students to arrive 1 or 2 days late to the program if they have prior commitments.

### **Do students hand in their money and passports on their arrival?**

Yes. The TASIS administrators keep the student's passports and our business office looks after the student's pocket money. They can then withdraw pocket money each week.

### **How much pocket money do they need?**

We recommend £100 a week for pocket money. We will not allow a student to withdraw more than £100 a week without written permission from a parent or guardian.

### **How are children roomed? Can friends room together?**

Children are roomed with students in their own age group and are housed in separate boys' and girls' dormitories with 2 – 6 students in a room. As TASIS welcomes students from around the world, we do not allow siblings or friends to room together. Part of the TASIS experience is to mix students from different cultures, which is an enjoyable part of the learning experience.

### **Do you let children who speak the same first language room together?**

We discourage students who speak the same languages to room together wherever possible.

### **If my child is in your English Language Program can he or she be moved to a different level if the class is too easy or too difficult?**

We give placement tests upon arrival, but some movement of students may happen during the first week when they are observed by our Director of English Language.

### **How can I remain in contact with my child?**

We do allow students to keep their cell phone with them during the program but these cannot be used during class, sports, study hall, the school dining room, or after lights out at night. We do not encourage frequent phone calls or visits as these may stir up feelings of home-sickness and hinder the student from making friends and fully embracing the program.

### **How many excursions will my child be able to take part in each week?**

Students are able to go on an excursion on Friday evenings and during the day on Saturdays and Sundays each weekend. The options for each weekend are announced each week during the program and students can then sign up. While we do try to ensure students get their first choice of trip this is not always possible. If a student is not on their first choice one weekend we will try to make sure they are on the following weekend.

We also have a shuttle bus that takes students to the local town of Staines after classes and sports Monday to Thursday. Students 14 and over can take this bus with their parent's permission; a permission form will be sent out before the start of the program. For our younger students a chaperoned trip to Staines will be organized twice a week.

### **Do you cater for special diets?**

The food at TASIS is varied, and all meat, wheat, and lactose dishes are labeled. Every meal features a meat-free dish for vegetarians and a salad bar with fresh vegetables. If your student has a particular food allergy or intolerance please make sure you let the admissions office know in advance.

### **What if my child gets sick?**

The Health Center on campus has nurses on duty 24 hours a day. We also have a hospital only minutes away from the School. More information on medications, etc. is included on our Medical form, which is part of our admissions process.

### **Does TASIS have a laundry service?**

Yes and this is available at no extra cost. Please ensure your children's clothing is labeled with their full name.

### **What happens if my child needs to leave the program early?**

We will arrange a taxi to take your child at an additional cost. If they are going home by plane the driver will assist with the check-in procedure if requested (there will be an extra charge for this).

### **Can you provide accommodation if my child arrives early or stays late?**

Unfortunately we are unable to provide accommodation before the starting date of the program or after 5pm on the closing date of the program.

If you have any other questions relating to the program please do not hesitate to contact the Summer Admissions office on [uksummer@tasisengland.org](mailto:uksummer@tasisengland.org)

## RULES

The students and faculty of TASIS England share in a small society, which can flourish only through constant consideration and respect for the rights and property of others. To safeguard the rights of the community, every student is honor-bound to know and abide by the following rules. Parents and students must read these rules and sign the Rules slip to signify that they will abide by the rules. Parents should keep these rules for reference as students will receive another copy upon their arrival.

**Students and parents should be aware that any infringement of these rules may lead to immediate suspension or dismissal and that the Director of the Summer Programs is responsible for all disciplinary decisions. Parents are reminded that there will be no reductions or refunds for suspensions or dismissal. TASIS reserves the right to inspect a student's room, his or her person, and his or her personal effects in order to ensure the compliance of school rules and regulations for the purpose of the safety, health, and welfare of the participants and employees.**

- a) **Drugs:** The possession, use, or transfer of alcohol, inhalants, illegal or controlled substances, or paraphernalia is not allowed. TASIS England reserves the right to dismiss a student if the Director deems that a violation of this rule has taken place. Students are required to register all prescription drugs and all medicines with the Nurse immediately upon arrival at School or receipt of the prescription. Any non-registered drug or medicine may be considered "illegal" or "unauthorized".
- b) **Personal Dishonesty:** Theft of money or property from other individuals or from the School or other institutions is strictly prohibited.
- c) **Drinking:** Possession or consumption of alcoholic beverages, including beer and wine, is strictly prohibited and will result in appropriate disciplinary action, including the possibility of dismissal from the program.
- d) **Hazing:** Bullying, harassing, verbal intimidation, or hazing of other students is strictly prohibited.
- e) **Smoking and Vaping:** TASIS believes that the harmful effects of smoking and tobacco have been convincingly demonstrated, and consequently does not allow the possession of or use of tobacco in any form during the session and includes Vaping and e-cigarettes. Disciplinary action will result if a student fails to observe the rule. This rule applies to students on and off campus during their stay at TASIS.
- f) **Fire Hazards:** Burning of incense or candles or use of firecrackers are fire hazards and are prohibited. Tampering with fire doors, fire extinguishers, fire exit signs, and fire alarms, including knowingly activating a fire alarm when no emergency service is needed, is a serious threat to people's safety and is strictly prohibited.
- g) **Vandalism:** Defacing or destroying of the property of other individuals or of the School or other institutions will result in payment for the damage and strict disciplinary action.
- h) **Unauthorized Mixed Company:** There will be no boys in girls' designated areas and vice versa. Exceptions may be made only during approved hours with faculty chaperones present.
- i) **Body Piercing:** If, in the opinion of the school nurse and/or administration, a student's body piercing is a health or safety hazard, the student will be asked to remove it.
- j) **Academic Dishonesty:** Any incident of academic cheating or plagiarism is both dishonest and non-educative. Copying another student's class work or homework, or cheating on a test are examples. Academic dishonesty is not tolerated at the School.
- k) **Dorm Check-in:** All students are required to return to their dormitories by the following times:
  - Sunday through Thursday nights: Check-in: 10.00pm; Lights out: 10.30pm
  - Friday and Saturday nights: Check-in: 10.45pm; Lights out: 11.00pm
  - Lights out is 15 minutes after check-in time. Students out of their dorm after check-in times (and before 6.30am in the morning) are liable to disciplinary action, including the possibility of suspension or dismissal.
- l) **Absences and Lateness:** Students are required to attend and to be on time to all classes and sports commitments. Continued unexcused absences or constantly being late for class could eventually lead to suspension or dismissal from the program.

Continued...

- m) **Off-Campus Permissions:** If permitted, students are allowed to visit the neighboring town of Staines on weekday afternoons when their schedule permits. Students 14 and over can take this bus with their parent's permission; a permission form will be sent out before the start of the program. For our younger students a chaperoned trip to Staines will be organized once or twice a week, timetabled in relation to the requirements of students and other activities. Students are required to travel on the school shuttle chaperoned by a member of staff, wear their school ID, and to sign out when they leave and sign in on return. Students must behave appropriately and understand that they represent the School during all off-campus ventures. School rules apply when students are off-campus. Other than these times, all students must stay within the boundaries of the TASIS campus.

On Saturdays, each student is required to participate in some kind of off-campus activity for the full day (between breakfast and dinner). The School organizes chaperoned excursions to places of interest throughout London and Southern England. All students may participate in these trips.

The TASIS England Summer Programs reserves the right to dismiss at any time a student who has proven to be an unsatisfactory member of the school community. If in the School's judgement a student's conduct on or away from campus indicates that he or she is consistently out of sympathy with the ideals, objectives, and programs of the School, parents will be required to withdraw the student, even though there may be no infraction of a specific rule. Please refer to the TASIS England Summer Programs Policies for further detail.

**PLEASE SIGN AND RETURN WITH THE APPLICATION FORM TO THE SUMMER ADMISSIONS OFFICE.**
